

ALTERNATE INSPECTION

Approval Report

On occasion, vehicles whose registration may have been suspended, cancelled or denied may need to be inspected for SAFETY ITEMS ONLY. In order to issue a valid registration, proof is needed that the vehicle under consideration is safe for highway use. The State will accept this Alternate Inspection Approval report, properly signed and stamped by a certified inspector of an official inspection station, after the vehicle has been examined WITHIN THE CONFINES OF THE GARAGE PROPERTY and found to be safely operable on the public highways. When the vehicle is issued a proper registration, it will have to be presented to an inspection station to complete the emission and/or safety inspection.

I - Justification for Alternate Inspection: (must choose one)

The vehicle was denied registration/renewal due to an INSPECTION RELATED vehicle suspension

The vehicle was suspended AND the registration plates were seized by law enforcement

The Inspector/Vehicle Owner was instructed to do so by the following Rhode Island DMV office:

Safety and Emission Control: _____ Enforcement Office: _____

II - Vehicle Information:

Vehicle Identification Number (VIN)

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

Year: _____ Make / Model: _____ Odometer Reading: _____

III - Current Vehicle Owner / Registration Information:

Current Owner's Name: _____

Current Registration Info: (if expired and/or suspended): _____ Or _____ Last Known Registration Info: (if new owner)

Plate #: _____ Plate Type: _____ Or Plate #: _____ Plate Type: _____

IV - Affirmation by Licensed Inspector: (to be completed by inspector)

I have examined this vehicle at the official inspection station listed below and have found it to be free from safety defects that would be cause for failure of a Rhode Island Safety Inspection, as defined by the Official Manual for Vehicle Inspection. I declare under the penalty of perjury, the statement I have given is true and correct to the best of my knowledge and belief.

Printed Name - Certified Inspector:	Inspector #:	**Official Station Name Stamp (Required)**
Signature - Certified Inspector:	Safety Approval Date:	
<div style="font-size: 2em; margin-left: 20px;">X</div>		
Station #:	Station Name:	

Instructions to Vehicle Owner:

- 1) Present the vehicle along with this form to a Rhode Island Official Inspection Station licensed to inspect the vehicle. (visit www.dmv.ri.gov/inspections/requirements/ for a list of locations)
- 2) Return this form (fax to 401-462-5838 or deliver) , SIGNED AND STAMPED BY THE INSPECTOR, to the Safety and Emission Control Office for consideration and reinstatement of registration privileges for this vehicle.
IMPORTANT NOTE: Always call 401-462-5890 to confirm receipt after faxing
- 3) Once cleared by Safety and Emission Control, you may now obtain the registration and plates or perform the registration transaction required.
- 4) Return to the same inspection station with the proper registration and/or plates (vehicle must be present), to complete the inspection and have a sticker issued.
